### BLOOD MOON

Dr. Jerry Gilbert, PhD, ThD.

The second total lunar eclipse of year was on, Wednesday, October 08, 2014. If you missed April, 2014 total eclipse of the Moon, the moon will appear orange or red, like blood, the result of sunlight scattering off Earth's atmosphere, as the earth is between the moon and sun. That's why it's called a blood moon. The moon has no light of its own, but is a reflection of the sun. There were two full lunar eclipses during 2014. These signs and wonders in the sky, has always had something to do with Israel or America, especially when there are 4 within a one year period, which is called a Tetrad. There will be two more in April and September of 2015.

This is not superstition, the Bible tells us: Daniel 6:27 He delivereth and rescueth, and he worketh signs and wonders in heaven and in earth, who hath delivered Daniel from the power of the lions. Revelations 6:12 And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; Joel 2:31 The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the LORD come.

When there is this very rare event, and there has been 3 others recorded in the last 2,000 years, there has always been something happen to Israel and/or America.

In 1492 there were 4 blood red moons. Have you ever wondered why Columbus sailed in search of a new land in 1492? Queen Isabella and King Ferdinand had issued an edict of ejection regarding the Jews. It stated that every person of Jewish descent had to leave Spain or be executed. Many Jews were burned to death, ceremonially, burning then in public. Jewish businessmen went to Christopher Columbus, an Italian Jew, and pledged to finance his efforts to discover a new land. They purchased the ships that carried Columbus across the ocean to the shores of what would become America. The United States has the largest Jewish population on earth, standing at 6.6 million? Israel presently has 6.1 million Jews living within

her borders.

In 1776, when the 13 Colonies were fighting the British during the American Revolution, the colonial soldiers were poorly armed, starving to death, and on the verge of defeat. A Jewish banker from Philadelphia, Hyman Solomon, went to the Jews in America and Europe and gathered a gift of one million dollars. He gave the money to George Washington to buy clothes and arms to outfit the American troops. Life, liberty, and the pursuit of happiness were born on American soil as a result of that gift.

The United States of America was founded for Freedom of Religion, not freedom from Religion. The founding fathers believed that these rights were given to us by our creator. In God we trust is minted on our coins.

America grew to be a world power; however, proud America allowed tolerance of immorality, same as Northern Israel, creep into America, then a more hostile approach to openly start the destruction of any mention of God, while condoning sin.

Then starting to sacrifice our children to the devil, before they were born and calling it "woman's rights." The Federal Government overrode every states abortion laws that had been in place since the early 1900s.

Since 1973, 54,559,615 have been sacrificed on the altars of sin, called abortion. This is an average of 1.2 million per year. How many of these 54,559,615 would have raised their hands and voices to God in praise. God inhabits the praises of HIS people.

Jeremiah 2:34 Also in thy skirts is found the blood of the souls of the poor innocents: I have not found it by secret search, but upon all these.

In 1963 the mention of Bible, the Ten Commandments, golden rule, anything to do with God was taken out of our schools, by government decree of the Federal Government, backed by the Supreme Court.

Israel was born, became a nation again! The Nation of Israel Reborn on May 14, 1948 Just Before the Tetrad of 1949-1950. After the destruction of Jerusalem by the Romans in 70 AD, Jews were driven into exile. For the next 1,878 years, the Jewish people were sifted through the nations of the earth. Yet, they retained their identity.

After Hitler's horrible holocaust during World War II, the Jews were finally granted a homeland by the nations of the world. On May 14, 1948, the modern state of Israel was born.

The City of Jerusalem was reunited during the Tetrad of 1967-1968 God said many times in the Old Testament that He would place His name in Jerusalem. During their 2,000 years of exile, the Jewish people turned their faces toward Jerusalem three times each day praying for the restoration of Jerusalem and the rebuilding of their temple. On June 7,

1967 the Jordanians launched an attack against Israel and west Jerusalem. Israel counter-attacked driving Jordan out of east Jerusalem, out of Judea-Samaria, and back into its own land across the Jordan River. Jerusalem was undivided and under Jewish control for the first time since the destruction of Jerusalem by the Romans in 70 AD.

Genesis 1:14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

Genesis 1:15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

Genesis 1:16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

Genesis 1:17 And God set them in the firmament of the heaven to give light upon the earth,

Genesis 1:18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good.

Genesis 1:19 And the evening and the morning were the fourth day.

This was the 4th day of God's creation! Day is YOM, meaning an indefinite period of time, climaxed by a certain event. That is the reason God had the climax of the period, at the end of each of God's day of creation. Scientist may not be so far off saying, the world being created over billions of years. The sun and moon were not created, to rule the days and years until the 4th period of creation. Scientist say, the earth, when created, it had no shape, the Bible says it had no form! Scientist say, nothing could live on it. The Bible says it was void! Scientist say, "it came out of a black hole," the Bible says, "darkness was upon the face of the deep!"

Genesis 1:1 In the beginning God created the heaven and the earth.

Genesis 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

Genesis 1:3 And God said, Let there be light: and there was light.

Genesis 1:4 And God saw the light, that it was good: and God divided the light from the darkness.

Genesis 1:5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

How could, the dawning of creation, have been 24 hour days when the sun was not created until the 4th day of God's creation? While I am talking about creation, Scientists say: "It all started with a vapor of Gas." The Bible bears that out too: Psalms 33:6 By the word of the LORD were the heavens made; and all the host of them by the breath of his mouth.

Scientists, there is your "vapor of gas!" The only place that Evolution Science and the Bible disagree is that our God furnished the "vapor of gas," He simply spoke the world into existence!

The Bible says of the sun, moon and stars: "and let them be for signs." Let us put our trust in God, and whatever is coming, we will be safe.

Yunis Al-Astan, a Muslim Cleric, and member of the Palestine Parliament went on Palestinian television earlier this year and openly called for a campaign of mass murder against the Jewish People. He said, "We must massacre them in order to break them down and prevent them from sowing corruption in the world, they are the ones who will spark the flames of war, but Allah has taken it upon himself to extinguish it."

This man is a member of the government that supports Hamas and that the Obama administration is pushing Israel to make peace with. The Palestinians are descendants of Esau, they are Edomite's, from Mount Seir. Their forefathers came down in great numbers in the 1930s and 1940s to help Hitler send Jews to the death chambers. There was at least one whole SS squad made up of these Edomites, (Big Red) helping Hitler find and identify Jews, for the Death Chambers of Hitler's Germany.

ISIS forces are threatening to take control of a town near the Syrian border. With the terror group refusing to back down in the face of U.S.-led airstrikes, the extreme humanitarian crisis in the region is getting worse. Refugee camps are spring up all over. We have a Muslim as our President, is it any wonder that we are not actively helping Israel? "The future must not belong to those who slander the prophet of Islam." (President Obama, 2012)

In the past six years under the Obama administration, the United States has seen an unprecedented rate of growth of Islamic influence inside the borders of our nation. National security experts have issued a sober warning in the book, Sharia: The Threat To America, "It is clear that conformance to Sharia in America constitutes as great a threat as any enemy the nation has ever confronted."

In 2006, Keith Ellison became the first Muslim elected to the United States Congress and he swore his oath on a Qur'an. Three years later, Barack Obama said, "Islam has always been a part of America's story." This fast-paced explanation of Islam and the Qur'an reveals how the ideals and ideas of the so-called "religion of peace" are working their way into our society.

John Quincy Adams, our sixth president, in a series of essays on Islam, warned: "The precept of the Quran is, perpetual war against all who deny, that (Mohammed) is the prophet of God, as the essential principle of

(Mohammed's) faith is the subjugation of others by the sword; it is only by force, that his false doctrines can be dispelled, and his power annihilated. The commands of the prophet may be performed alike, by fraud, or by force."Sadly, dozens of court cases in the United States have already relied on Sharia's precepts instead of American law to decide cases involving Muslims, with most of the rulings at serious variance with the United States Constitution.

Human suffering and overt oppression toward non-Muslims has occurred in every nation where radical Islamists have power or significant influence. Overtaking the United States' system of law and government, destroying our religious and cultural roots, and wiping Israel off the map would be their crowning achievement.

Proverbs 8:16 By me princes rule, and nobles, all who govern justly.

Yet, we elected one as president to try to pacify the blacks. He is only 1/4 black and this is the best blood line he has. His grandfather was a Muslim slave trader. Soetoro was catching slaves in Kenya, when he caught a lady of the Luo tribe of Kenya and got her pregnant, this produced Barry's dad, who produced a child from a woman from Chicago, vacationing in Indonesia! Barry Soetoro alias Barack Obama, is not a citizen of the United States and should be deported, yet he is president. I believe God allowed him to become our president to either wake us up to turn back to God or destroy the United States. We have a do nothing congress and the schools are making Atheist of our children. Since God was taken out of school 51 years ago in 1963, any mention of The Golden Rule, Bible or God could get a student expelled or teacher fired!

According to at least three surveys and studies, over 80% of the mosques in the US teach, preach and advance jihad. Fresh on the heels of Robert Spencer's groundbreaking expose on the Oklahoma be-header's mosque revelations of jihad recruitment, hatred of the US and Israel and support of the caliphate, the federal government pays for Mosque security, could our taxpayer dollars be worse spent? How many Christian churches have security? Mine has been robbed four times in the last five years!

One of his, either 13,000 or 1,300 executive orders is that he can declare Martial Law, without congressional approval. He wants to be a dictator, like Hitler, probably why, I have a picture of him reading a book written by Hitler. Wake up America! This is a very dangerous time for your children. Immigrant Population in U.S. Reaches Record 41.3M; Middle East, Asia, Africa Lead Growth.

ISIS beheads British hostage, promises American next. An Internet video released Friday purports to show an Islamic State group fighter

beheading British hostage Alan Henning, the fourth such killing carried out by the extremist group now targeted in U.S.-led airstrikes. The video mirrored other beheading videos shot by the Islamic State group, which now holds territory along the border of Syria and Iraq, and ended with a militant threatening a man they identified as an American named Peter Kassig.

The radical Islamic terrorist group Boko Haram is responsible for the "ransacking and torching" of more than 180 churches in Nigeria and the displacement of at least 190,000 men, women and children. Reverend Gideon Obasogie, whose church was among those burned, told the Associated Press the vast destruction and violence is "sad, heart-aching and potentially dangerous to the common good of Nigeria."

Earlier this year, Boko Haram made world headlines after kidnapping more than 200 Nigerian schoolgirls in an effort to expand its "caliphate." Last month, after a fourth suicide bombing, police rescued a ten-year-old girl who was wearing explosives, confirming that the group is now using these girls as suicide bombers.

We call all of America to also, trust God with all of our hearts and we will not lean to our own understanding, but in all of our ways we will return to God and continue to acknowledge God as God directs our paths.

2 Chronicles 8:13 Even after a certain rate every day, offering according to the commandment of Moses, on the sabbaths, and on the new moons, and on the solemn feasts, three times in the year, even in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles.

The three feasts we are to observe forever: 1. Feast of unleavened bread, also known as The Feast of The Passover, because God passed over Egypt, killing the first born of each family, who did not have the blood on their doorpost. Jesus was crucified during the celebration of this feast!

2. Feast of Weeks/Feast of Pentecost (meaning 50) was celebrating the Giving to Moses, The Law (law of blood sacrifices) and the Ten Commandments on Mount Sanai. This was when Jesus poured out The Holy Ghost to those waiting in the Upper Room in Jerusalem, fifty days after his death, burial and resurrection. Jesus rose from the dead, after 3 days, taught his Disciples an additional 40 days, as He ascended into Heaven, He told His Disciples: Luke 24:46 And said unto them, Thus it is written, and thus it behoved Christ to suffer, and to rise from the dead the third day: Luke 24:47 And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. Luke 24:48 And ye are witnesses of these things.

Luke 24:49 And, behold, I send the promise of my Father upon you: but tarry ye in the city of Jerusalem, until ye be endued(meaning make alive with) with power from on high.

Luke 24:50 And he led them out as far as to Bethany, and he lifted up his hands, and blessed them.

Luke 24:51 And it came to pass, while he blessed them, he was parted from them, and carried up into heaven.

Luke 24:52 And they worshipped him, and returned to Jerusalem with great joy:

Did the Disciples do as Jesus told them? Yes, seven days later Peter preached on the Pentecost Feast Day: Acts 2:38 Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Feast of the In-gathering of Harvest or Feast of Tabernacles: Nothing has happened on this feast! This was a feast, in the fall of the year, after the crops were in the barns and it was time to rest from your labor.

What does that sound like? Sounds like the coming of Jesus or the Rapture of the church? We get to rest from our labors! I don't know what year, but I believe it will be during this Great Feast in the near future.

Genesis 12:1 Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:

Genesis 12:2 And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:

Genesis 12:3 And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.

But America is in danger of moving away from the place of blessing to the place of cursing. The land-for-peace deals of recent years have placed Israel and the Jewish people in grave danger. There would be no America, if God had not have helped us, using Jews to do the work.
