LOCAL LICENSE

To receive your Local License, you must have read the Bible Studies that are on line at our web-site. These can be downloaded free by you or the pastor who is sponsoring you for your local license. (In case you do not have a pastor to sponsor you, please contact us at this web-site address for special instructions). Read the Articles of Faith. These Articles must be agreed to fully and a statement signed that you agree to fully abide by the Articles of Faith of the International Apostolic Churches, Inc. and preach the same Gospel that the original Disciples and Apostles preached as outlined in the Articles of Faith and book of Acts of the Apostles.

GENERAL LICENSE

To be promoted to a General License, you must have held a Local License for a period of one year and be recommended by your sponsor-pastor to receive General License. Upon special circumstances a General License can be issued, by the Board or recommended by the Superintendent over the district.

FULLY ORDAINED LICENSE

To be promoted to Fully Ordained License, you must have held a General License for a period of three years and recommended by your Board and approved by your Superintendent over the district where you preach.
